If your response is submitted by facsimile transmission, you are hereby reminded that the original should be retained as evidence of authenticity (37CFR 1.4 and MPEP 502.02). Please do not separately mail the original or another copy unless required by the Patent and Trademark Office. Submission of the original response or a follow-up copy of the response after your response has been transmitted by facsimile will only cause further unnecessary delays in processing of your application; duplicate responses where fees are charged to a deposit account may result in those fees being charged twice.
